What do these results mean?

Congratulations! You achieved a passing score on this Microsoft Certification Program (MCP) exam. Please note that although you passed, there might be exam sections in which you need development. The information shown above, if any, indicates your relative results on sections of the exam. This information is provided to help you assess areas for further study. Exam preparation guides are available on the Microsoft Learning Web site: <http://www.microsoft.com/learning/>.

Please retain this score report! All benefits of the MCP will be accessed via the MCP Member site (<https://mcp.microsoft.com/mcp>), including ordering your complimentary Welcome Kit. Should you not receive an email containing your MCPID and access code to the MCP Member site, you may need to provide information on this score report in order to gain access to the MCP Member site.
